CONNECTIVITY

without the complexity

Simplify your life with the Lyric™ T6 Pro Wi-Fi

The Lyric T6 Pro Wi-Fi offers functionality that's easy to use and smart features that are easy to love. Program it based on your schedule, or let it adapt to your life as plans change. You can adjust it from anywhere using your smartphone or tablet, ensuring maximum comfort when you're home and energy savings when you're away.

FEATURES LYRIC T6 PRO WI-FI

Control on the Go

Use the Lyric app to monitor and control your thermostat anytime, from anywhere, for total home comfort.

Flexible Programming Options

Geofencing, 7-day, 5-2, 5-1-1, 1-week or non-programmable.

Geofencing

By using your smartphone's location, the Lyric T6 Pro Wi-Fi adjusts settings to save energy when you're away and make you comfortable upon arrival.

Single-App Control

Seamlessly connect your Lyric T6 Pro Wi-Fi with Apple® HomeKit™, IFTTT integration, or Amazon Alexa to control all of your smart home devices from one app.

For a complete list of smart home partners, visit forwardthinking.honeywell.com/ecosystemintegrators

Auto-Change from Heat to Cool

Comfort control made easy in any season.

Energy Savings

Choose a programmable mode to save on annual heating and cooling costs.

Smart Alerts

Stay informed with push notifications for maintenance reminders and extreme indoor temperature warnings.

Internet Time-Sync

Keeps time during power failure and automatically updates for daylight savings.

Touchscreen Display

Large screen size makes the Lyric T6 Pro Wi-Fi easy to read and easy to use.

5-year Warranty

Backed by the most trusted thermostat brand in the industry.
